Soudronic FBB 400

bodymaker welder ● lacquering unit ● powder unit

Pre-owned food and beverage canbody welding machine with FRECON static converter. Swiss based SUTTER ENGINEERING developed the FRECON converter that gives you a higher production rate and a better welding quality on your can body welder. FRECON also saves a lot of energy compared to existing rotary frequency converters. With Soudronic PRC-SIC external lacquering roller and Frei EPC internal powder application system.
